A top-down view of a person's hands working on architectural drawings on a desk. The person is wearing a watch on their left wrist. The desk is cluttered with various items: a laptop keyboard is visible on the left, a stack of spiral-bound notebooks is at the top, and several sheets of paper with architectural drawings are spread out. The person's right hand is holding a yellow pencil, pointing at a drawing. The overall scene is brightly lit, and the background is slightly blurred, emphasizing the work being done.
